

STEP 1

Print and cut out the card.

STEP 2

During setup set the promo card aside, do not shuffle the promo into your deck.

STEP 3

When the *Pier card* (#24) is revealed during play, put the promo card on top of the deck (*this means in every game, the Pier will be revealed before the promo card*).

NOTE

If you sleeve your cards. Feel free to sleeve this promo card and shuffle it into the deck during setup.
