PARTY MODE

Forests of ship masts crowd the ports of Tigomé as everyone with an itch for adventure clamors to make a fortune. Will you make your name stand out from rest, or will you fade into history?

What's new?

The TGOME Party Pack adds four new player colors to choose from, allowing for play with up to eight players. Follow normal setup instructions with the following exceptions. In step 4, shuffle the additional 8 investigate cards with the ★ icon with the Investigate cards from the base game forming a larger deck. In step 5, Shuffle the additional 40 treasure card with the ★ with the 40 treasure cards in the base game. We have also included oversized explore cards that come with this pack so everyone can see! Return the explore board and the original regular explore cards to the box. You will not need them. Shuffle the "I" era and the 5 basic explore cards to form the Exploration Deck.

When flipping explore cards, leave flipped cards visible so all players know which cards have yet to be flipped.

SPECIAL RULE (5-8 PLAYERS):

Any player who meets the requirements of a goal at any time during eras 1 or 2 receives the larger listed reward, **regardless of whether they were first**. Any player who meets the requirements of a goal at any time during eras 3 or 4 receives the smaller listed reward.
