

Welcome back, witches!

Some new witches have set up shop in town, and for better or worse, their familiars seem to have made a home for themselves on your workbench! New arcana has been unearthed to add different powers to every game.

Game Overview

Whirling Witchcraft: Fantastic Familiars introduces a new cast of witches to the world of *Whirling Witchcraft*. These witches offer a more challenging, but unique, experience. Some come with their own familiar, a magical animal that will visit each witch and cause chaos on their workbench. *Whirling Witchcraft: Fantastic Familiars* also gives you a set of 9 arcana cards, where any combination of the 3 different symbols will be played each game.

Arcana Cards

There are 3 decks of arcana cards with 3 cards each, matching the old arcana icons: , , and .

Arcana cards add 2 new powers to each arcana icon type and allow for a random combination of arcana effects in each game.

During Setup: Shuffle each deck of arcana cards and flip the top 3 cards of each to reveal 3 arcana effects that will be used in this game. These replace the original arcana effects of the base game.
